Neetish Tewari

AI Product Manager

India

Summary

A Product Manager with over 17 years of experience, currently
leading product development at Hobasa, leveraging expertise in
AI and B2B SaaS solutions. By defining strategic roadmaps and
aligning them with business goals, the team creates generative AI-
powered workflows that enhance decision-making and operational
efficiency for clients.

At Hobasa, they enable cross-functional collaboration in an Agile
environment to prioritize customer needs, manage sprints, and
drive product adoption. With a strong focus on data governance,
quality, and compliance, they ensure seamless system integrations
and actionable insights. Passionate about transforming complex
workflows through AI and no-code technologies, they aim to deliver
scalable, intuitive, and impactful products.

Experience

Nagarro
Associate Principal Consultant
November 2025 - Present (3 months)

Hobasa
Product Manager
July 2021 - November 2025 (4 years 5 months)

• Led product development for a B2B SaaS platform powered by Generative AI
and Agentic Workflows, optimizing decision-making processes.

• Defined product roadmap aligning with business objectives, prioritizing
customer needs for seamless collaboration.

• Led cross-functional teams in an Agile environment, managing sprints,
prioritizing backlogs, and facilitating daily stand-ups.

• Spearheaded business strategy discussions to identify growth opportunities
and drive product adoption.

Data management, including data governance, data modeling, and analytics, with a strong focus on ensuring data quality, compliance, and seamless integration across systems to drive actionable insights and informed decision-making.

Check An Invoice
Product Manager
March 2019 - July 2021 (2 years 5 months)
Gurgaon

• Led product initiatives in launching an invoice fraud detection platform and pivoting to an invoice automation platform.
